We are pleased to announce the return of Tom Amenita, Kyle Kurlander and Alex Oliviera to our training staff and the addition of Rachel Olds, Wade Gamache, Sara Kosiorowski and Alex Hopkins. The training staff is working together this year to develop a comprehensive program to train our players for success from the younger ages on up.

Here are some of the things that separate us from other travel volleyball programs:

- We are part of JTAA, and our mission is to serve the local communities.
- All of our administrators are parents, and VOLUNTEERS. We do not make any money or get any perks from running our programs.
- We are truly a non-profit organization.
- We are able to run our programs for much less than others due to our volunteers and the gym space we receive from JTAA, passing the savings along to our families.
- The JTAA Volleyball Board that oversees JVC Elite and JTAA Rec. volleyball listens to your suggestions and continuously implements improvements.
- We consistently recruit, train, and retain the best volleyball trainers in the area, most of whom came up through the JTAA Rec. and Travel system.
- We are currently revamping our volleyball training program to directly benefit players.
- We offer a no pressure, family atmosphere where you are a part of what we do, not just another check to cash.
- Our recent successes speak for themselves: 2 Teams qualifying for USAV Nationals and 1 Team winning the Florida Regional Championships this past season.

- This event is licensed by the Amateur Athletic Union of the U. S., Inc.
- All participants must have a current AAU membership.
- AAU membership may not be included as part of the entry fee to the event.
- AAU Youth Athlete membership must be obtained before the competition begins

except where the event operator has a laptop available with an internet connection.

Be Prepared: Adult and Non Athlete memberships are no longer instant and cannot be applied for at event. Please allow 10 days for membership to be processed.

- Participants are encouraged to visit the AAU web site www.aausports.org to obtain their membership.

I hope you will plan on joining us for tryouts and come see all the great things we have in store for the upcoming season. Please check our web site for announcements and updates www.JVCElite.com, and follow us on twitter @jvcelite as we prepare for the 2014-2015 travel season.
